

**You Orchestrate the Entire Project. We Provide
You with The Best Possible Products to Get it Done.**

As a General Contractor (GC) or construction company you have a difficult job to do. Working with designers and architects, sourcing and managing sub-contractors, staying within budget, keeping your customer in the know – the list goes on and on. The last thing you need to worry about is securing the highest quality products for your project and making sure they are delivered on time. That's why GC's and construction companies across the country source everything from draperies, to blinds, shades, shower curtains, and more from KemTex Contract.

Quality Products. On Time. Within Budget.

KemTex Contract is the leading provider of quality products for the construction industry. We are the partner of choice because we listen and we deliver. You know what type of products will make your project a success and we have the manufacturing expertise to make your vision ... reality.

At KemTex, we manage the quality control process from the initial specifications, to the manufacturing process, and all the way through installation. All that combined with our commitment to 100% customer satisfaction guarantee means you'll receive the quality products you need ... when you need them.

A Wealth of Contract Products to Finish Out the Most Demanding Projects.

Our attention to detail during the manufacturing process and installation process, means you can stay focused on managing the complexities associated with your project. It doesn't matter if your next project is a major hotel or a hospital, with KemTex you'll have access to a wide-range of quality products including draperies, blinds, shades, hardware, and more.
